Meet a canine conservationist

Submitted Photo

Johnny Angel stands watch at Norristown Farm Park. The papillon's owner, veterinarian and conservation educator Dr. Jessica Dimuzio will host a launch party for her children's book, "Bark! Bark! Bark for My Park!," Sunday, Dec. 18 from 1 to 3 p.m., at Children's Book World, 17 Haverford Station Road, Haverford. The book is about a grassroots campaign that was launched to save the Norristown Farm Park from development. Meet Johnny Angel as the author signs books.
